More Information

Mannings Heath Estate is located just 10 minutes drive from central Horsham. We have ample, free car parking available. Set in just under 500 acres of land, we offer a beautiful setting to get away from the hustle and bustle.

The Spike Bar is open to the public (not just a members club) from 8am until 5pm 7 days a week, and offers a gastro pub style menu including paninis, pizzas and pies. Our Spike Bar has a huge sun terrace overlooking the golf course, a truly relaxing atmosphere to meet. No bookings required, just turn up if you need a space for a small meeting.

The Dining Room is a bookable meeting room, with a fixed boardroom for 12 people and an LCD screen for presenting. From as little as £150 a day you can have the room and order teas, coffees, lunches as you wish.

The Latilla Campbell Suite is our largest function space, seating up to 100 delegates theatre style. Located on the first floor of the estate, with those lovely views once again. A great space for a training event, conference or seminar.

The Vineyard Kitchen Restaurant and Wine Lounge, located on the ground floor, have recently undergone a refurbishment and are looking fresh! Open from Wednesday to Sunday from 10am until 6pm, you can book a table in these spaces for a working lunch meeting or why not treat your team to a wine tasting experience!

All spaces can be booked via email to sales@manningsheath.com

We look forward to welcoming you - remember we are open to ALL, not only for golf members!
