## LONG DISTANCE ROUTES

You can also use the Downs Link to connect to other long distance routes, such as the Wey South Path, The Greensand Way and National Cycle Network 2 and 22.

## SHARING THE DOWNS LINK WITH OTHERS

- Please be courteous to others.
- Cyclists: give way to pedestrians, horse riders and wheel chair users, leaving them plenty of room.
- Remember that many people are hard of hearing or visually impaired. Don't assume they can see or hear you.
- Cyclists: carry a bell and use it - please don't surprise people.
- Respect other land management activities such as farming and take your litter home.
- Please clear up after your dog and take all your litter home.
- Please keep your dog under control and keep it in sight.

Copsale circa 1960

This train is an M7 tank push pull set. It is running on the Brighton to Horsham line, adjacent to the A283 Old Shoreham Road and is approaching Shoreham toll bridge from the south.
